## Make Your Own Rules Diet Tara Stiles

**building a biltmore stick - purdue agriculture** - building a biltmore stick at first glance, a biltmore stick may look like a yardstick, but a closer look will turn up major differences. you can, however, use a yardstick to make your own biltmore stick! step 1: cut two strips of paper that are large enough to cover the flat sides of the yardstick (approximately 2" by 36" in size). **make your own - girl scouts** - make your own 3 3 do put your plan into action—feel free to take all the time you need. if you really want to build a new skill, you can't do it overnight! plus, you'll have more fun if you're not rushing yourself. so spend some time practicing your new skill. you may not do everything perfectly, but the **learn to design your own clothes!** - **clothingpatterns101** - create your own fashions, i'll walk you through the process of putting together your own styles. fashion is little more than taking simple design elements and putting them together in your own unique way. it's kind of like a jig-saw puzzle, or playing with paper dolls. you mix and match sleeves, collars, skirts, and so on until you get a **"build your own country" project** - "build your own country" project project #1: for project number one you will be building or creating your own country! this project will assess your research skills, critical thinking and problem solving, and give you an opportunity to do what we all would like to do: rule your own country! this packet contains all of the information **create your own country project - schoolwires.henry.k12** - "create your own country" project for your final project in this class, you get to create your own country! this project will test your research skills, your critical thinking skills, and give you an opportunity to do what we all would like to do: rule your own country. it is pretty important for you to keep this packet handy, **how to earn a make your own badge - usfsa** - how to earn a make your own badge as a girl scout brownie, junior, cadette, senior, or ambassador, you can earn a make your own badge once a year (september to september). choose an idea or topic, write the five steps (requirements) for learning skills, and complete the steps. then, have fun designing a badge that is uniquely yours. **make your own rock - earthlearningidea** - make your own rock investigating how loose sediment may be stuck together to form a 'rock' ask a pupil to take a handful of sand and see if it is possible to make a 'rock' by squeezing it as hard as possible. (it isn't!) to become hard rocks, most sediments need to be cemented together. this idea can be tested with a variety of ... **name project due: create a civilization - lake county** - name \_\_\_\_ project due: create a civilization now that we know the characteristics of a civilization, it's time to create our very own civilizations. your group is going to create your own civilization from the ground up. please use your history text, your notes, and
