
Making Moral Decisions Paul Jersild

making moral decisions - imageswebnetworks - making moral decisions, 4 permission given to the purchaser to copy this page for use in class. 1 introduction perhaps this is a question that ought never to be asked! while obviously it is possible to have various judgments about aesthetic matters, our first impulse is to assume moral matters are different—that judgments about right **making moral decisions - imageswebnetworks** - making moral decisions, 2 permission given to the purchaser to copy this page for use in class. 2 this does not mean that there is a simple and straight-forward progression from early and perhaps primitive notions of what is morally right to a more refined understanding that stems from progressive enlightenment. **on making moral decisions - boston university** - on making moral decisions 297 bit differently by saying that we are trying to discover what is most "natural" to us, though this begs too many questions for comfort. rees notes, very pertinently, that if i say i must discover something about myself in order to make certain kinds of decisions with honesty, **moral and ethical decision making - apps.dtic** - moral decisions do not simply constitute a specific content domain of decisions that parallels and complements other content domains such as financial decision making or recreational decision making (weber, blais, & betz, 2002). instead, ethical decisions can occur in any substantive content domain; **making moral decisions - loyola press** - making moral decisions to help us make good choices, we can ask the holy spirit for help, think about god's law and the church's teachings, and consider the consequences. page 125 we each have a conscience that helps us with the choices we make. the word of god, the gifts of the holy spirit, the advice of others, and the teachings of the church **moral decision-making - pastoral planning** - catholic faith, life, & creed | moral decision making | 2.0 | page 7 in this model we do not follow the law out of fear or blind obedience. we follow the law out of a mature commitment to live an authentic life of integrity, a life informed by moral norms that are freely embraced and lived. **catholic moral decision making - holy spirit parish at geist** - catholic moral decision making • some catholics of the past had one word to describe the church, and that word was—institution. when the church set out to define itself at the second vatican council, that all changed. the **moral decision making - dupageco** - "as we think, so we act," is a good way at looking how we develop ways of making decisions that have implications for ourselves and others. the process of making better moral decisions goes through four stages. the first two stages represent the moral stages of childhood, while the last two stages reflect a mature, adult view of one's ... **making ethical decisions - university of kentucky college ...** - the basis of ethically defensible decisions and the foundation of well-lived lives. this edition of making ethical decisions represents a substantial re-working of earlier editions, offering new examples and intensifying the focus on discernment, discipline and effectiveness as vital elements of ethical decision making. **ethical decision making and behavior - sage publications** - ethical decision making and behavior as we practice resolving dilemmas we find ethics to be less a goal than a pathway, less a destination than a trip, less an inoculation than a process. —ethicist rushworth kidder this chapter surveys the components of ethical behavior—moral sensitivity, **making moral decisions holly m. smith nous, vol. 22, no. 1 ...** - making moral decisions hollym. smith^^ university of arizona one component of a moral theory consists of principles that assign moral status to individual actions—principles that evaluate acts as right or wrong, prohibited or obligatory, permissible or supererogatory. consideration of such principles suggests that they play several **moral judgment and decision making - university of chicago** - moral judgment and decision making 479 our focus in this chapter is moral flexibility, a term that we use that people are strongly motivated to adhere to and affirm their moral beliefs in their judgments and **steps of the ethical decision making process** - steps of the ethical decision decision--making processmaking process eese faculty development workshop. douglas r. may, professor and co-director. international center for ethics in business. summary of the steps of the ethical decision making process 1. 2. gather the facts 3. define the ethical issues 4. identify the affected parties ... **a faith informed model of moral decision-making in social ...** - basis for moral decision-making in trying to determine ways to practice (and learn and teach) ethically. the purpose of this article is to provide a clearly outlined basis for moral decision-making that can be applied to decision-makers with different sets of beliefs: secular and theistic, including christian and within christian, specifically **making choices: a framework for making ethical decisions 1 ...** - making choices: a framework for making ethical decisions decisions about right and wrong permeate everyday life. ethics should concern all levels of life: acting properly as individuals, creating responsible organizations and governments, and making our society as a whole more ethical. this document is designed
